Subject: Electronics Manufacturing Cluster Scheme – “In-Principle” approval for Greenfield Electronics Manufacturing Cluster at Bongora (Village), Chayani (Mouza), Palasbari (Revenue Circle), Kamrup (R) (District), Assam.

Sir,

I am directed to convey the “In-Principle” approval of the Government of India under Electronics Manufacturing Cluster Scheme (EMC) for setting up of Greenfield Electronics Manufacturing Cluster at Kamrup (R)- (District), Chayani (Mouza), Palasbari (Revenue Circle) Bongora (Village), Assam with estimated project cost of Rs. 99.97 Crore (excluding land cost) as per the following details:

Name of Applicant : M/s Assam Electronics Development Corporation Limited (AMTRON)
(Chief Promote)
Location of EMC : Kamrup (R)- (District), Chayani (Mouza), Palasbari (Revenue Circle) Bongora (Village), Assam
Area of EMC : 100 Acres
Estimated Project Cost: Rs. 99.97 Crore (excluding land cost)

2. This “In-Principle” approval is valid for a period of 6 months from the date of issue of this letter, which may be extended by Steering Committee for Clusters (SCC), as found necessary in the best interest of the Scheme. The final approval of the project would be subject to achievement of certain milestones as detailed below, within the prescribed period:

- (i) Formation of the SPV
- (ii) Procurement of land for the project
- (iii) Financial Closure of the project
- (iv) Collection of at least 10% of the stipulated financial contribution from industrial institutions/association
- (v) Preparation of detailed drawings and designs of the works and their detailed cost estimates.
- (vi) A firm implementation schedule (component/activity wise) specifying milestones and timelines.

3. The eligible activities and break-up of project cost as approved, "In-Principle" by the Steering Committee for Clusters (SCC) are as follows:

S. No.	*Particulars	Cost (Rs. in Crore)
A	Processing Area	93.95
B	Non-Processing Area	0.12
C	Preliminary & Pre-operating expenses including contingency	5.90
	Total (A+B+C)	99.97

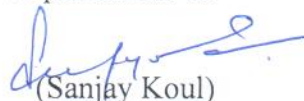

* M/s Amtron shall submit detailed area wise / cost wise breakup along with the final application

3.1 Means of Finance: Confirmed Means of Finance to be provided by the applicant along with the final application.

4. This "In-Principle" approval constitutes of an "In-Principle" approval to apply for a formal approval for setting up a Greenfield EMC as per the EMC Scheme Notification and Guidelines. Upon receipt of application for final approval and its due consideration by the Competent Authority that all requirements with respect to the Scheme have been satisfactorily complied, a final approval will be issued including sanction for project(s) approved for financial support that will be available for the said project(s). This "In-Principle" approval in itself does not construe any obligation on Government to the said project(s).

5. The applicant needs to fulfill the following requirements by the time of submission of final application:

- a) **Land possession document**: The applicant will have to submit required documents in accordance with the EMC Guidelines showing the land should be in possession of the applicant for the proposed EMC facility.
- b) **Change in Land Use**: The applicant shall submit required documents in accordance with the EMC Guidelines showing the land use of the proposed land as industrial.
- c) **Anchor Unit**: The Applicant should identify an Anchor unit for the EMC and provide the details for the same. The Anchor unit should propose to set up a unit in EMC engaged in the manufacturing of electronic products.
- d) **Revenue Model**: In the final DPR, the applicant should provide Revenue Model with realistic assumptions consistent with implementation plan.
- e) **Environmental Impact Assessment**: Applicant should provide necessary documentation for compliance to all applicable environmental regulations as applicable.
- f) **Power and Water Supply**: The Applicant should provide confirmation of power availability/ supply from concerned Electricity Board/ Authority and Permission/ MoU for supply of water from concerned Area Development Corporation and/ or permission/clearance from Ground Water Board/ concerned government department for abstraction of ground water (as applicable).
- g) **Statutory requirements**: The applicant should fulfill other statutory requirements as per the Local/ State/ Central Governments regulations.
