Hack the Crisis – INDIA. Online Hackathon
WE ARE IN THE SEARCH FOR IDEAS, WITH SPECIAL FOCUS ON CONTAINMENT OF CORONAVIRUS (COVID-19) WITH INTENT TO DEVELOP SOLUTIONS TO DEAL WITH ITS AFTERMATH!

Ministry of Electronics and Information Technology (MeitY) in association with Ficci Flo Pune, Robotex International announces ‘Hack the Crisis – INDIA. Online Hackathon

ABOUT THIS APPLICATION

Ministry of Electronics and IT, MeitY, MeitY Startup Hub (MSH) (Govt of India), FICCI FLO Pune, APJ Abdul Kalam Centre, Science and Technology Park, Pune (Ministry of Science and Technology, Govt of India initiative), Garage48, Accelerate Estonia, Robotex International (India Initiative) have gotten together to take a lead in India on the movement, that has gotten global in less than couple of days - #hackthecrisis #hackthecrisisindia

Application link – www.hackacause.in
Portal for Applications Opens – 22/03/2020 23:59hours
Portal for Application End Date – 25/03/2020 23:59hours

Starting from Sunday 22nd of March, at 23:59, we will host an online hackathon so that India can emerge from the crisis stronger than ever. Now is the prime time to design, test and launch innovative ideas that will either help to tackle the crisis or position India in a softer spot in the aftermath.

Problem Statement

The intent of this hackathon is to develop ideas that:

- are prototypeable in 48-hours which could help solve the crisis;
- give India an edge in the post-crisis words.

CREATIVE IDEAS

Think of all the problems that arise from the Covid-19 crisis. Which one do you want to help solve? What would be a good solution for that specific problem, and how do you plan to solve it during the hackathon?

Do not stop at anything. Think of the crazy approaches. Think of stuff that needs different regulations. Think for a few hours, get together the team and join the hackathon.
Scope of the Hack the Crisis – INDIA Online Hackathon
Innovation Challenge

THINK OF AN IDEA, THAT YOU WOULD LIKE TO SOLVE AT THE HACKATHON
PUT TOGETHER A TEAM OR PLAY SOLO.

The minimum number of the participants in the team is one, ideally five. The maximum number of the team members is ten. The rules to submit the team are following:

Each team should ideally consist of:
• Idea owner who will take the role of the team lead (coordinating, project management)
• 2 Developers
• 2 Designers (UX/UI)
• An engineer, if an idea execution requires it (optional)

PAY THE ENTRANCE FEE 500 RUPEES TO ENTER THE COMPETITION AND REGISTER YOUR IDEA http://www.hackacause.in
(link will be shared on completion of registration)

WE WILL LOOK CAREFULLY THROUGH THE IDEAS SUBMITTED AND WILL CHOOSE TOP 300 THAT WILL ENTER THE COMPETITION.

All the teams that enter the competition will be announced one day before the 48-hour prototyping marathon begins!

You will receive an e-mail with complete instructions on how the hackathon will look like, but get ready for the craziest 48-hour online hacking you have ever seen!

48-HOUR HACKATHON

Top teams will enter the global Hack The Crisis hackathon, which will gather together the best teams from similar competitions all around the world! The site is still being edited as we go, but check the progress of different local initiatives here http://www.hackacause.in

Stage 1 Idea Submission – ONLINE APPLICATION

Application link – www.hackacause.in
Portal for Applications Opens – 22/03/2020 23:59hours
Portal for Application End Date – 25/03/2020 23:59hours

The submission of idea for Stage-1 should encapsulate creating a working prototype, which will be implemented as a working solution. The proposed ideas should cover the following aspects:

1. **Title of the Idea**
   sub: make it short and catchy, try to capture the core essence of the problem

2. **Describe the problem you want to solve**
   sub : try to define the problem as precisely as possible

   Evaluation criteria
   Proposed problem matches with the topic, is serious enough and if not solved, could have a wide impact

3. **Describe the possible solution**
   sub: it doesn’t have to be perfect, describe the technical and non technical elements as good as possible

   Evaluation criteria
   Description of the solution is clear and solves problem well

4. **Who do you have in your team (name, role of the team members)**

   Sub: The minimum number of the participants in the team is five. The maximum number of the team members is ten. The RULES to submit the team are following:

   Each team should consist of:
   • Idea owner who will take the role of the team lead (coordinating, project management)
   • 2 developers
   • 2 designers (UX/UI)
   • An engineer, if an idea execution requires it (optional)

   Evaluation criteria
   Team is formed and includes all required skills
Stage 2. Top 300 entries from Stage 1 will enter Stage 2 a working prototype, which will be implemented as a working solution.

WE WILL LOOK CAREFULLY THROUGH THE IDEAS SUBMITTED AND WILL CHOOSE TOP 300 TEAMS,

THAT WILL ENTER THE COMPETITION.
All the teams that will enter the competition, will be announced on Thursday evening, 26/03/2020, at 8pm IST. You will receive an email with complete instructions on how the hackathon will work.

Be ready for the craziest 48-hour ONLINE solution creating in crisis Hack-A-Cause you have ever experienced!

Stage 3. Online Mentoring of Top 300 selected teams

HACKATHON OF 300 SELECTED TEAMs BEGINS 27/03/2020 5:30pm IST Friday and ends on 5:30pm IST on WEDNESDAY 25/03/2020.
